- triage_support_guidelines_-_all.pdf

Start making a subject page: Trauma or Emergency Level

Use rules:

- DRY DO NOT REPEAT YOURSELF!
- Find good keywords: Triage, phone, Classes, groups (age, severity, circumstances)
- Find guidelines and international standards:

[Google?](#)

[Images?](#)

We find:

Categories 1 2 3 4 5 (6)

Groups children elderly pregnancy trauma other disasters proxy bystander fire explosion high energy major natural
