Start making a subject page: Trauma or Emergency Level

Use rules:

- DRY DO NOT REPEAT YOURSELF!

- Find good keywords: Triage, phone, Classes, groups (age, severity, circumstances)

- Find guidelines and international standards:

  [Google?](#)

  [Images?](#)

We find:

Categories 1 2 3 4 5 (6)

Groups children elderly pregnancy trauma other disasters proxy bystander fire explosion high energy major natural
